RESULT OF THE REPORT

As we commemorate the rich tradition of Qurban, a time of profound significance in the Islamic calendar, we are filled with immense gratitude at Near Foundation. Your remarkable support and boundless generosity have truly illuminated this year's Feast of Sacrifice, infusing it with resounding success and heartfelt meaning.

In a beautiful gesture, Hizmet Danmark, a beacon of compassion, extended their benevolence by contributing a substantial donation of **\$115,000.00**, enabling the sponsorship of **185** cows. This act of kindness played a pivotal role in the subsequent distribution of **4kg** meat packages to **6,475** deserving families across the nation. Your unwavering dedication to the Near Foundation served as the cornerstone for a momentous achievement this year. The collective efforts were monumental, as together, we sacrificed over **1,500** cows, reaching out to more than **75,000** individuals who are less privileged. Central to this achievement were the selfless contributions of over **250** volunteers, who dedicated their time and skills throughout the meticulous processes of slaughtering and butchering.

The impact of your boundless generosity reverberated across the landscape as we orchestrated the distribution of meat packages at **140** distinct locations, spanning across **27** states. The palpable expressions of gratitude and unbridled joy from the beneficiaries served as a testament to the profound effect your thoughtful contribution had on their lives.

This unwavering commitment to the Near Foundation not only exemplifies the true spirit of Qurban, characterized by compassion and empathy, but also underlines the essence of our mission. Your steadfast support has demonstrated the profound impact of coming together to alleviate the suffering of those in need.

As an organization, we are profoundly moved by your continued dedication, recognizing that the foundation's capacity to make a transformative difference in the lives of the underprivileged is intricately woven with the generosity of individuals like you. The Near Foundation remains steadfastly committed to its noble cause, inspired by the genuine kindness and compassion that define the true essence of Qurban.

Near Foundation's Official Eid El-Adha Celebration Process

1. Strategic Planning and Preparation

- 15th April: Near Foundation Board Meeting deliberated on the comprehensive approach for conducting the feast of sacrifice and organized related preparations.
- 22th April: Foundation representatives visited Dei-Dei cattle market and neighboring markets around Abuja, assessing various cow types earmarked for the feast. Videos were created to showcase these choices for our valued donors.

2. Price Determination for the Qurban

- 4th May: Near Foundation formally extended a public invitation through its diverse media channels, inviting participation in the acquisition of qurban sacrifice shares.
- 12th May: Foundation's Board Meeting scrutinized multiple offers received from cattle suppliers, successfully bargaining to secure an agreement of 630,000 naira per cow, with an average weight of 160 Kg per cow.

3. Prudent Selection of Suitable Cattle

- 20th May: Near Foundation, in collaboration with dedicated volunteers, surveyed Dei-Dei, Karu and other prominent cattle markets nationwide. They identified and designated cattle from our suppliers that were deemed suitable for the qurban.

4. Identification of Distribution Zones

- 26th May: The culmination of an exhaustive administrative process yielded official endorsements from Municipal authorities, authorizing the Near Foundation to conduct both the sacred act of sacrifice and the equitable distribution of meat to the deserving and underserved within the community.

5. Assiduous Slaughter Readiness

- 30th May: Rigorous pre-slaughter preparations were meticulously carried out, encompassing the strategic setup of dedicated slaughtering arenas, procurement of indispensable materials, and a steadfast adherence to stringent hygienic protocols.

6. Arrival and Assessment of Designated Cattle

The selected cattle arrived at their allocated sites for slaughtering, and an in-depth inspection was conducted on the marked cattle.

7. Festive Commemoration

- 16th June: The day of Eid Festival, an occasion of profound significance, bore witness to Near Foundation's resolute orchestration of an extraordinary feat—encompassing the coordinated sacrifice of approximately 1,500 cows, spanning across the expanse of Nigeria's 27 states.

8. Slaughtering Process

-Rigorous veterinary assessments were conducted prior to slaughtering, ensuring the health and well-being of the animals.

-A team of skilled and professional butchers performed the slaughtering, followed by dressing.

-Post-slaughter, a thorough veterinary examination was carried out to confirm suitability for human consumption.

-The slaughtering process was facilitated by around 80 proficient butchers.

9. Deboning and Cutting

- Animal sections were skillfully processed in the deboning and cutting section, employing 6 cutting machines and a team of approximately 50 trained butchers.

The meat was meticulously sliced into smaller pieces, primed for subsequent packaging.

10. Packaging

- Divided meat portions, averaging 4kg each, were carefully packaged, with around 250 dedicated volunteers actively involved in this phase.

12. Community-Centric Distribution

- The frozen meat packages were efficiently transported using specialized vehicles to around 50 chosen distribution centers.
- These centers encompassed orphanages, elderly care homes, and various other relevant locations.
- Collaborating closely with local administrators, Near Foundation ensured a smooth and well-organized distribution process, utilizing coupons for clarity and to prevent any confusion.
- A total of 6,475 packages were thoughtfully distributed to families, each containing enough meat to sustain an average family of 5 members.
- Ultimately, this Kurban initiative extended its compassionate reach to at least 75,000 vulnerable individuals, embodying Near Foundation's commitment to sharing and uplifting communities.
